As Chairman and CEO of C. H. Fenstermaker & Associates, Inc., a surveying, mapping and engineering consulting firm in Lafayette, Bill Fenstermaker works with the Board of Directors and the Executive Management Team to provide strategic leadership for the company. Mr. Fenstermaker is instrumental in establishing long-range goals, strategies, plans and policies to ensure the company's success.

During his tenure as Chairman and CEO, and previously as President of the firm, Bill Fenstermaker has provided strong leadership which has taken the company from a small regional firm to a multi-disciplinary organization providing services to government and industry throughout the country. His vision for the company has resulted in tremendous growth for the Fenstermaker firm and substantial revenue increases for the past several years.

Bill Fenstermaker is a vital member of his community and is active in numerous professional organizations throughout the country. He applies his leadership skills to guide the organizations he is involved with in positive and insightful ways. He is a strong advocate for making Louisiana the best place to do business. He is Chairman of IBERIABANK Corporation, a $10.4 billion bank holding company, headquartered in Lafayette, LA; Chairman of Blueprint Louisiana; Chairman of the Governor’s I-49 Task Force; Vice-President of Board of Trustees of University of Louisiana at Lafayette Foundation; immediate past Chairman of Lafayette General Medical Center; past Chairman of the Louisiana Association of Business & Industry; and past Chairman of the Louisiana Oil & Gas Association.
