October 2012

# Results

- Index is **59.0 out of 100**. This is better than “normal.” A reading of 50 is supposed to be about normal.
- This is a record high for the index! This is just the third time that the sentiment index topped 50.
- There were 13 Acadiana business leaders surveyed. The survey was conducted online in August 2012.

# The CFO Roundtable Business Sentiment Index has hit a new high.

# 12-Question CFO Roundtable Survey

- Business conditions in Acadiana (2 questions)
- Business conditions for one's firm (2 questions)
- Costs and suppliers (2 questions)
- Price v. cost margins (1 question)
- Inventories (1 question)
- Availability and the cost of borrowing (2 questions)
- Firm description (2 questions)

*The responses to the first 10 questions are used to calculate the Business Sentiment Index...*

# First 10 questions make up the Business Sentiment Index.

- 0-to-100 scale.
  - 100 = high level of economic activity (boom)
  - 0 = the economy goes bust!
- 50 is a “typical” reading...If all possible responses are evenly distributed among the choices, you will get a reading of 50.
- A 50 is normal.
- The points are based on the percent of responses to a particular question choice.
- The index was 54.98 in Q4 2011. The latest index reading was 58.98.
